## WORK EXPERIENCE

- Feb 2022 - Present **Software engineer**  
[Decidable AS, Oslo, Norway](#)  
I am currently employed as a part-time software engineer for the software agency Decidable. Here I participate in both client- and in-house projects.
- Aug 2021 - Present **Board member**  
[Decidable AS, Oslo, Norway](#)  
I am one of five cofounders of a software agency titled Decidable. We deliver solutions to clients either big or small. We also develop in-house projects.
- Feb 2021 - Feb 2022 **Board member**  
[ProgSys, Oslo, Norway](#)  
I was a board member of the ProgSys student organization. This is the official student organization for the Informatics: Programming and System Architecture study programme.
- Aug 2021 - Dec 2021 **Teaching assistant**  
[University of Oslo, Oslo, Norway](#)  
Teaching assistant at UiO in the subject IN3110 - Higher Level Programming. Responsible for lecturing students in weekly group sessions and correcting assignments.
- Jun 2021 - Jul 2021 **Fullstack developer**  
[Clave Consulting, Oslo, Norway](#)  
Worked in a multidisciplinary agile team as a developer. Developed a proof of concept for an intelligent route planner directed at EV owners in Norway.

## EDUCATION AND QUALIFICATIONS
